Gary,

I will start working on getting these reports for you. Once we have the reports we can get together and discuss the best way to present them to the community.

Tina,

As we discussed, here are the zip codes for the health study for the areas adjacent to and surrounding the San Jacinto Superfund Site:

West side of San Jacinto River:

77044;  
77049;  
77530 (Channelview);  
77015;  
77536;  
77571.

East side of San Jacinto River:

77532;  
77562 (Highlands);  
77521;  
77520.

The zip codes cover the area from around Lake Houston south along the San Jacinto River to the north edge of Galveston Bay. Please let me know if you have any questions on this.
